

Care Cap Connections™ is a division of Volunteer America – 1776, an Arkansas-based voluntary association. We rely solely upon monetary and in-kind donations for our project. We are approved as a public charity under the Internal Revenue Code section 501(c)(3) and issue donor receipts for allowable tax deductions.

No officers, Board of Advisors or care cap project partners are paid. All service is voluntary. Nothing is sold. All care caps are given without charge to women and children undergoing chemotherapy treatments. The majority of garment production is shipped directly to cancer clinics for delivery to their patient population.
